

Profile – Kyriacos Hadjikyriacos

Kyriacos Hadjikyriacos **Treasurer CWSF**

Kyriacos is a finance and actuarial professional with a background in investment consulting and risk management. He holds a Master of Science in Actuarial Science from Heriot-Watt University in Edinburgh and a Bachelor of Science (Hons) in Mathematics and Statistics from Cass Business School in London.

Over the years, Kyriacos has built a diverse career across actuarial services, investment advisory, and financial market operations. His experience includes advising institutional investors such as pension funds and insurance companies on strategic asset allocation. He has contributed to fund manager evaluations and supported clients across Cyprus, Greece, and the broader EMEA region.

A lifelong water ski enthusiast, Kyriacos has been an active supporter of the Cyprus Waterski Federation for many years and currently serves as its Treasurer, continuing his commitment to the sport and its community.
