

Profile – Christina Christoforou

Christina Christoforou
Segretarie CWSF

Christina is a registered architect at ETEK (Cyprus) and a computational designer. She is a partner at Tatilinea Architects LTD, an office based in Limassol, Cyprus. Christina studied at the University of Louisiana at Lafayette, where she was a member of the waterski team. She also graduated from the University of Nicosia in 2018, where she has been teaching CAD classes and various workshops to this day. She has been actively involved in the design, fabrication, and construction of several award-winning international research pavilions. Her career focuses on computational design, with a special emphasis on the implementation of AI.

Christina holds a Bachelor of Architecture (BArch) and a Master of Architecture (MArch) from the University of Nicosia, as well as a Master's in Advanced Computational Architectural Design from Institute for Advanced Architecture of Catalonia

She serves as Secretary of the Board of Directors of the Cyprus Waterski Federation (CWSF) since 2019, supporting the Board and contributing to the development of the sport. Christina is also a former Cyprus waterski champion.
